

I traded fame for love without a second thought

It all became a silly game, some things cannot be bought

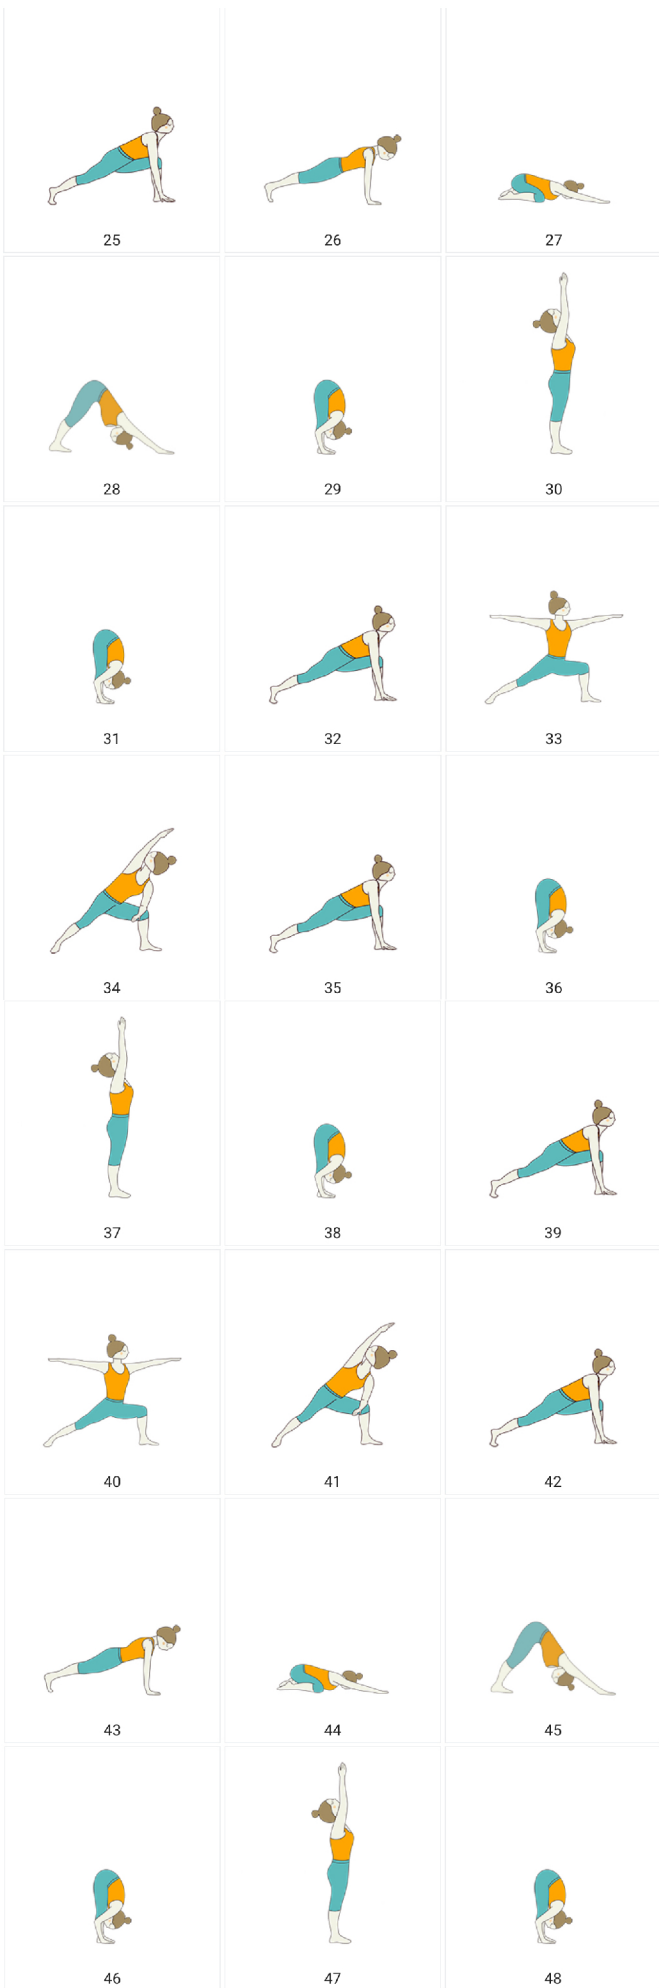

I got exactly what I asked for, wanted it so badly

Running, rushing, back for more, I suffered fools so gladly

And now I find, I've changed my mind

The face of you, my substitute for love

My substitute for love

Should I wait for you, my substitute for love
My substitute for love

Traveled 'round the world
Looking for a home
I found myself in crowded rooms
Feeling so alone

I had so many lovers
Who've settled for the thrill
Basking in my spotlight

I never felt so happy

The face of you, my substitute for love

My substitute for love

Should I wait for you,

my substitute for love

My substitute for love

Famous faces, far off places, trinkets I can buy

No handsome stranger, heady danger, drug
that I can try

No ferris wheel, no heart to steal, no laughter
in the dark

No one-night-stand, no far off land, no fire that
I can spark *

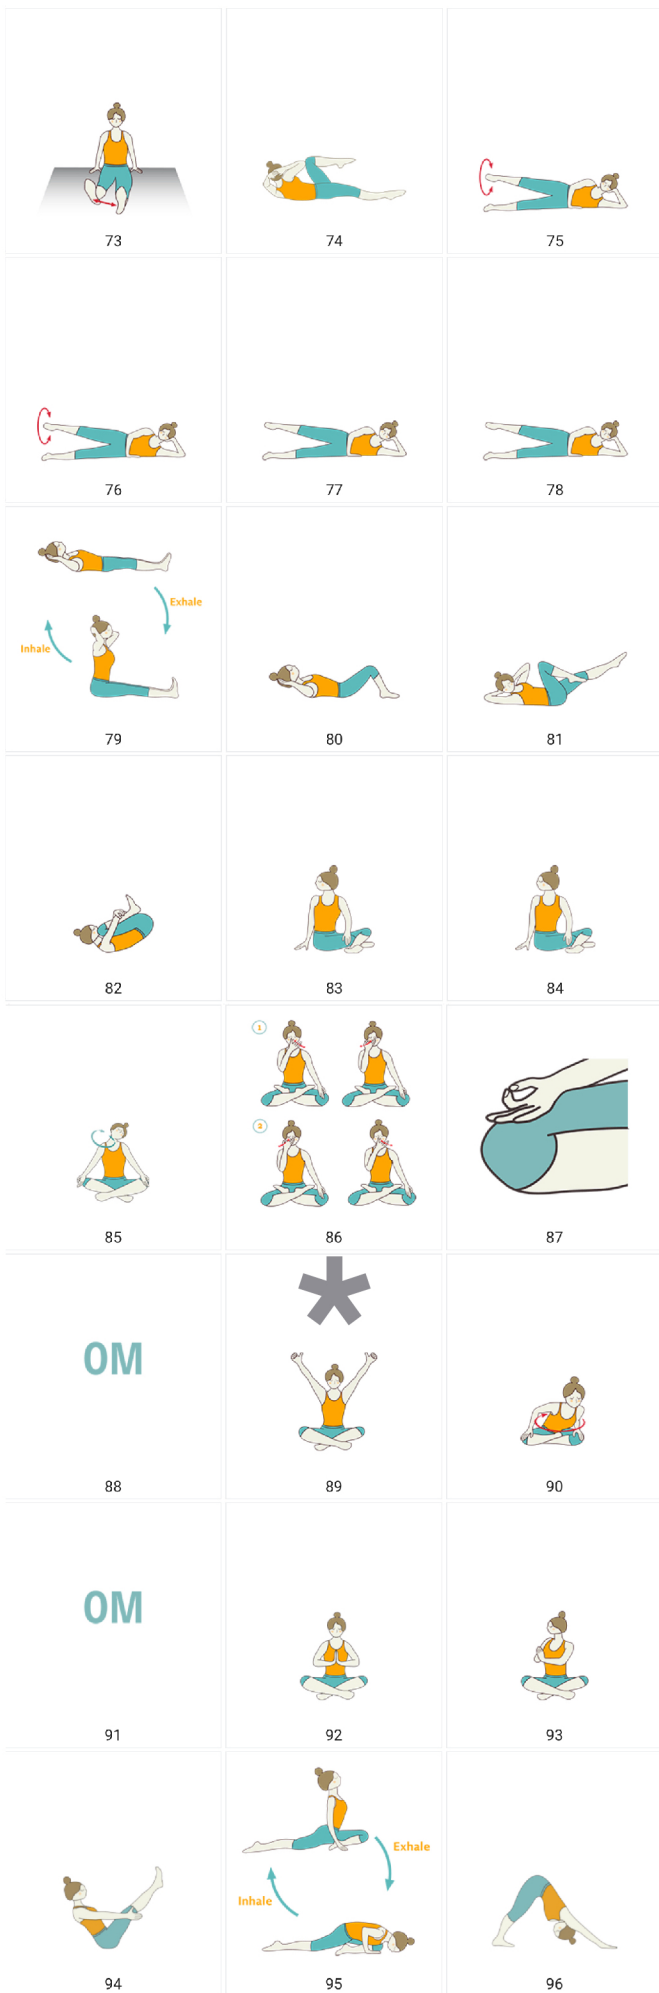

The face of you, my substitute for love
My substitute for love
Should I wait for you, my substitute for love
My substitute for love
And now I find
I've changed my mind
This is my religion

Sky fits heaven so fly it
That's what the prophet said to me
Child fits mother so hold your baby tight
That's what my future could see
Fate fits karma so use it
That's what the wise man said to me
Love fits virtue so hold on to the light

That's what our future will be
Traveling down this road
Watching the signs as I go
I think I'll follow the sun
Isn't everyone just

Traveling down their own road
Watching the signs as they go
I think I'll follow my heart
It's a very good place to start
Traveling down my own road
Watching the signs as I go
Traveling down my own road
And I'm watching the signs as they go

Traveling, traveling
Watching the signs as I go

Hand fits giving so do it
That's what the Gospel said to me
Life fits living so let your judgments go
That's how our future should be
Traveling down this road
Watching the signs as I go
I think I'll follow the sun
Isn't everyone just
Traveling down their own road
Watching the signs as they go

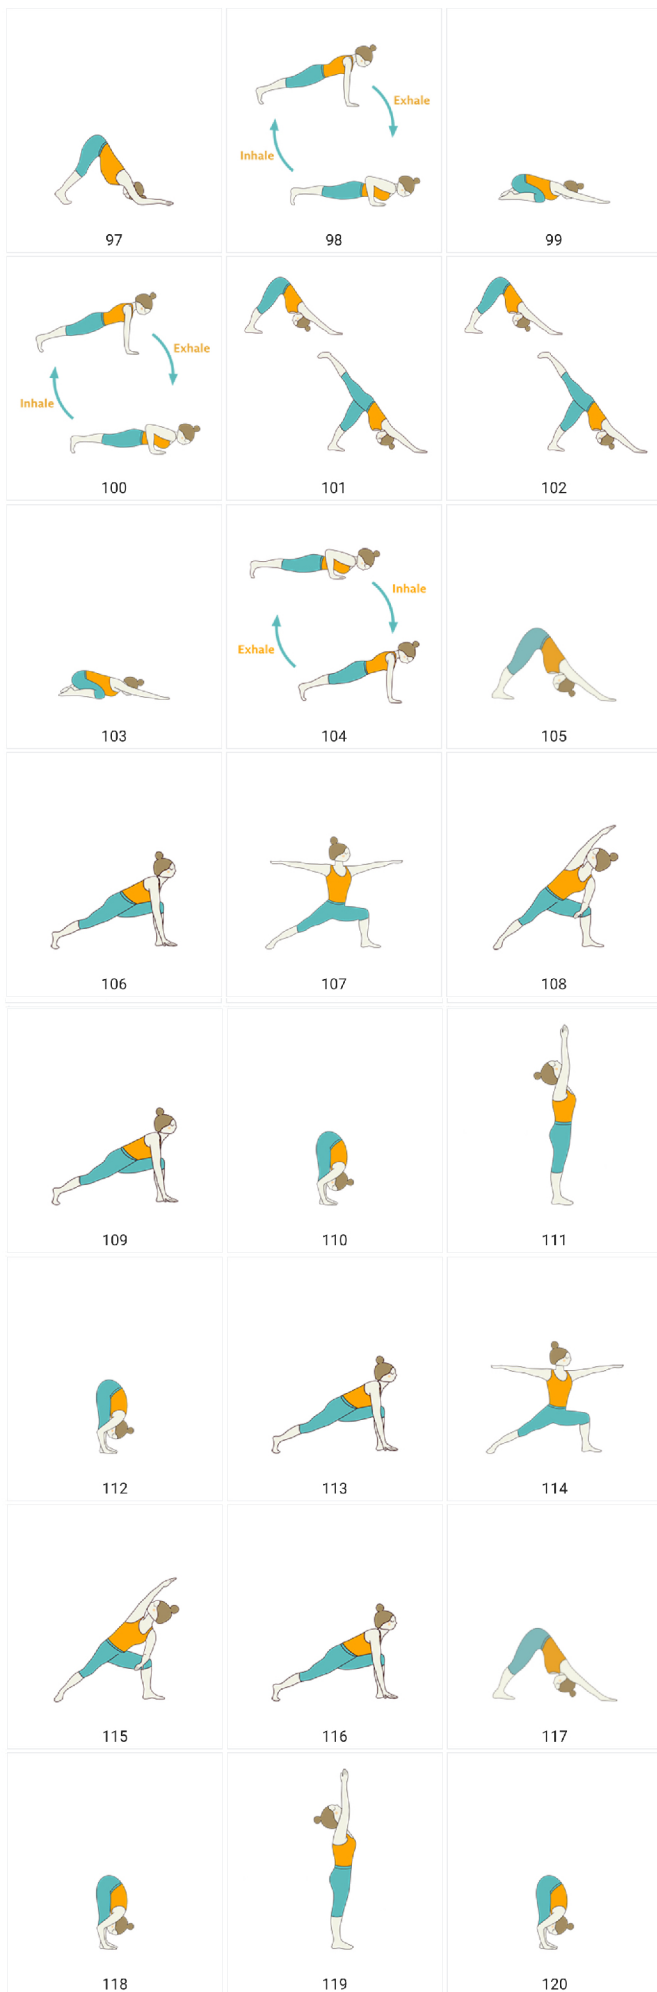

I think I'll follow my heart
It's a very good place to start
Traveling down my own road
Watching the signs as they go
Traveling down my own road
And I'm watching the signs as I go
Traveling, traveling
Watching the signs as I go

Zephyr in the sky at night, I wonder
 Do my tears of morning
 Sink beneath the sun?

She's got herself a universe, gone quickly
 For the call of thunder
 Threatens everyone

And I feel like I just got home
 And I feel
 And I feel like I just got home
 And I feel

Faster than the speeding light, she's flying
 Trying to remember
 Where it all began

She's got herself a little piece of heaven

Waiting for the time when
 Earth shall be as one
 And I feel like I just got home
 And I feel

And I feel like I just got home
 And I feel

Quicker than a ray of light
 Quicker than a ray of light
 Quicker than a ray of light

Zephyr in the sky at night, I wonder

Do my tears of morning
 Sink beneath the sun?
 She's got herself a universe, gone quickly
 For the call of thunder
 Threatens everyone
 And I feel...

Quicker than a ray of light, then gone for
 Someone else will be there

Through the endless years

She's got herself a universe
 She's got herself a universe
 She's got herself a universe

And I feel
 And I feel
 And I feel like I just got home
 And I feel

Quicker than a ray of light
She's flying

Quicker than a ray of light
I'm flying
